### ***Inspiring Christ-centred Leaders.***

*Announcement from the Bishops of Western Australia re: Executive Director, Catholic Education Western Australia.*

*Dated: Wednesday, 8 November 2023*

*Subject: Executive Director, Catholic Education Western Australia Limited (CEWA Ltd)*

*Dear brothers in the ordained ministry, sisters and brothers in Christ,*

*We write to each of you across the four dioceses of Western Australia to share with you that Dr Debra Sayce, Executive Director, Catholic Education Western Australia Ltd, will conclude her appointment as Executive Director on 31 December 2023.*

*Dr Sayce has deeply discerned and decided to take up an appointment as the inaugural Head, Mission Enhancement and Outreach – Archdiocesan Agencies for the Archdiocese of Perth. Dr Sayce has made a magnificent and enduring contribution to Catholic Education in Western Australia since 1994. After beginning her career as a teacher, she was successively appointed to numerous roles, culminating in becoming the first lay person to be appointed by the bishops of*

*Western Australia as the Director of Religious Education. In 2017, Dr Sayce was appointed as the Interim Executive Director and subsequently confirmed in the role in 2018.*

*Dr Sayce's passion for Catholic education and her personal commitment to enhancing a lived expression of the Church's mission through Catholic education has made her an outstanding leader. Dr Sayce has always clearly enunciated the wonderful gifts of a Catholic education for students and brought a distinctive witness to the Gospel values and theological teachings that underpin the Church's ministry of education. Let us give thanks to Dr Sayce for her enduring legacy to Catholic education across the four dioceses of Western Australia and our nation.*

*Appointment of Mr Wayne Bull as Executive Director (2024). The bishops of Western Australia have appointed Mr Wayne Bull, the current Deputy Executive Director, to the position of Executive Director of CEWA Ltd for 2024. Mr Bull has been a long-term contributor to CEWA, initially as a teacher, prior to his appointment to a number of senior leadership positions in various schools before advancing to school principalship in 2000. He was appointed CEWA Deputy Executive Director in 2020. In conjunction with Ms Eva Skira AM, Chair – Catholic Education Commission of Western Australia, the bishops of Western Australia will commence the consultation and recruitment process for the next Executive Director of Catholic Education Western Australia Limited during 2024, for appointment in 2025.*

*We invite you to hold Dr Sayce, Mr. Bull, as well as all those who actively place themselves at the service of enhancing the lives of young people, their families and our Catholic communities across Western Australia through Christ-centered and childfocused learning communities that inspire all to actively live the Gospel in your prayers.*

### ***Catholic Schools of Excellence.***

At St Lawrence Primary School we believe all students have the right to learn and feel happy in a safe and secure environment. In order for this to occur it is important that all students, parents and staff understand their rights and responsibilities. These are outlined in our St Lawrence School Codes of Conduct. These documents are easily accessible via the school's website. I strongly encourage all to read these and have a sound and clear understanding of the implications of our Codes of Conduct and our obligations to abide by them.

### ***Catholic Pastoral Communities.***

You may have noticed our Christmas Tree has been placed in the Learning Centre. Yes, this is a little early, but it will allow us all time to collect a gift card from the tree. The card will state a person's age and gender. It is hoped you will then purchase and wrap a gift, with this card attached to it, and place under the tree. The staff will then ensure the gifts are forwarded to those in need. Christmas brings out the best in people, I believe, and in recent years, I have been so moved at the number of gifts this kind community provide.

You could turn this into a family event, or even ask your children to donate their own pocket money or exchange chores around the house, for the gift. I think if you make this a meaningful chance to come together, as a family, plan your gift and how to pay for it and then purchase it together, as a family. Much learning can come from this act of service.

I am very aware that many of us find it difficult at Christmas, to make ends meet, but if you can, then this might be a great opportunity to support those far less fortunate than ourselves.

## **MRS BRENNAN**

It is with sadness that I inform you all, that Mrs Brennan will be returning to the UK, as her father is unwell and in need of her support, at this time of his life. Our thoughts are with all of Mrs Brennan's family and loved ones. Please keep her in your prayers.

*Accessible, Affordable and Sustainable.*

## **SCHOOL FEES**

A big thank you to all who have paid their school fees for 2023 or are in the process of finalising their payments. All school fees are due for payment, in full, by 30 November 2023.

If you are having difficulties in finalising your account, by this date, please do not hesitate to contact Alica Mayo, our Finance Officer. We are here to support, where we can, and thank our families for their prompt payments over 2023 that enables our school financial commitments to run smoothly, as budgeted.

God's blessings to you all

## PASTORAL CARE

Let us all continue our November obligations and keep in our prayers those who departed this world, both the known to us and those unknown to us.

*Remember, O Lord, the God of Spirits and of all Flesh, those whom we have remembered and those whom we have not remembered, men of the true faith, from righteous Abel unto to-day; do thou thyself give them rest there in the land of the living, in thy kingdom, in the delight of Paradise, in the bosom of Abraham, Isaac and Jacob, our holy fathers, from whence pain and sorrow and sighing have fled away, where the light of thy countenance visiteth them and always shineth upon them.*

*Amen*

Deepest sympathies and condolences to the Mucciarone family (Sofia Yr 6) on the passing of her much loved Nonno.

*Eternal rest grant unto Him, O Lord, and let perpetual light shine upon Him. May His soul and all the souls of the faithful departed, through the mercy of God, rest in peace.*

*Amen*

*Congratulations to our new bundle of joy:*

## 2023 END OF YEAR REPORTS

The End of Year Report provides parents with an overview of how their child has progressed, across the entire year, in relation to the end of year Achievement Standard for each learning area, for their year level. The grade provided is taking into account the curriculum which has been taught and assessed across the entire year, not just Semester 2.

## UNDERSTANDING THE GRADING SYSTEM

Is a 'C' grade good? **Yes, you should celebrate C grades as this indicates that your child has progressed to the desired level of understanding for his/her year level.**

Is a 'C' grade just a pass like it used to be? **No, a C grade today, is the expected Achievement Standard for each year level and each Learning Area.**

Does an 'A' or 'B' grade mean my child is working a year or two above their current grade? **No, an 'A' or 'B' grade means that your child is responding to the content taught to a deeper level. They may be thinking more critically about the content, which is a wonderful skill to demonstrate.**

How are final grades determined? **Teachers collect numerous samples of work and assessments to determine the final grade. The grade is determined with the use of the School Curriculum and Standards Authority's (SCSA) Judging Standards. For more information on this go to <https://parent.scsa.wa.edu.au/>**

We hope this information assists you to understand the reporting process at St Lawrence. If you have further questions, please don't hesitate to ask your child's teacher.

## ST VINNIE'S CHRISTMAS APPEAL

St Lawrence has had a long association with the St. Vincent de Paul Society. In the past, the St. Lawrence school community has been especially generous during the Vinnies Christmas Appeal. This year we are continuing this tradition. We are asking for your generosity, to bring less fortunate people joy, this Christmas. Thank you to all the parents who have already placed their donations in the baskets, located in each classroom. Donations will be collected by St Vinnie on Tuesday 28 November.

Some suggested items to donate are:

*Plum Puddings, Christmas Cakes, Tinned Hams, Tinned Fruit, Jelly, Lollies, Boxes of Chocolate, Cool Drinks, Christmas Crackers, Custard (pre-made), Fruit Juice, Biscuits, Spaghetti, Sauces...*

## GIVING TREE

Our Giving Tree is located in the Learning Centre. It has been wonderful listening to Parents and Grandparents explaining to their children the reasoning behind the Giving Tree. We have been extremely touched by the conversations we have overheard when passing through this area.

If your family would like to participate, please have your child select a gift tag and purchase a gift for the child, outlined on the tag. We suggest that you take your child to the shops and give them the opportunity to use their own money to buy their gift, which will be donated to a child in need. Please wrap your gift, attach the gift tag and leave it under the Giving Tree.

Gifts will be collected on Wednesday 6 December.

## ST LAWRENCE FEAST DAY & KORA CHILDCARE CENTRE

Our annual St Lawrence Feast Day was held during Term 3.

From the receipt of donations from our amazing and wonderful St Lawrence community, to the eventual stall fund raising events held, we managed to fundraise a total of \$1557.60!

Of this incredible tally, the sum of \$445 was donated to Caritas Australia, with the remaining \$1112.60 donated to our long-standing recipient, Kora Childcare Centre.

These funds will go towards the purchase of resources for this centre.

Sister Chitra met with our school leaders, recently, to accept the community's fundraising efforts.

On behalf of the school community, we thank each and every one of you, who helped make this a memorable event.

# SCIENCE

Earth and Space Science is moving at the speed of light this term.

National Science Week was a timely start to Term 4, which saw Year 2 students design their own spacecrafts and list the essentials they would take into space. Whilst Year 3 students worked in groups to draw a planet based off a report sent to them from an International Space Station.

Some classes have focussed their attention on Earth this term, such as Year 4 students who are learning the importance of soil testing, rocks/minerals, and erosion; and Year 6 students investigating the cause and effects of natural disasters. The Year 2 class are discovering the importance of the water cycle.

Our PP and Year 1 students are exploring our atmosphere, including weather systems, movement, types of clouds and the Noongar seasons. They have become weather reporting experts and may soon audition for a reporter's role on a free-to-air channel near you!

Becoming planet aware, the Year 3 class are studying Earth's movement in space, from rotation to revolution; and Year 5 students are discovering Earth's place in space, including the planets that orbit our Sun with us.

Science Teacher*
