

28 March 2022

Dear Parents/Caregivers

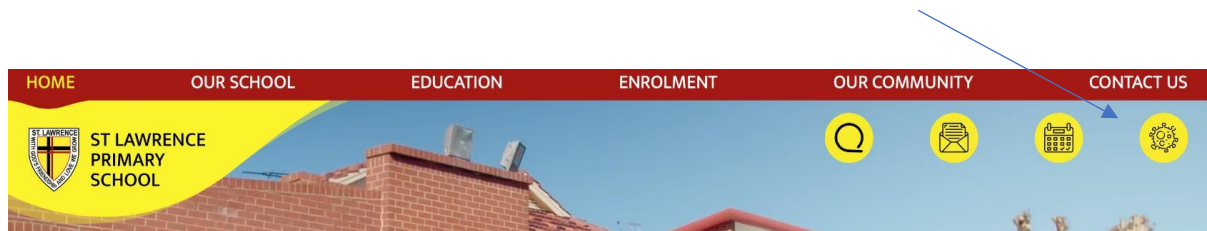

I am writing to advise you there has been a positive case of COVID-19 associated with St Lawrence Primary School.

They attended the Pre Primary class on Friday 25 March 2022 while infectious.

Your child is deemed a close contact by WA Health and should get tested within 24 hours. If your child tests positive for COVID-19 they will need to quarantine for 7 days. If your child has a negative test result and they are asymptomatic they will be able to attend school. Your child's test result will need to be entered on the online form on the St Lawrence Primary school website or emailed to Admin [admin@stlawbal.wa.edu.au](mailto:admin@stlawbal.wa.edu.au) before your child is able to return to school.

### **Online Form for entering positive and negative test results**

a) Please see arrow pointed to the COVID-19 icon as seen below.

b) Once you have opened the COVID-19 UPDATE icon, please use the **CLICK HERE** link.

Asymptomatic students identified as close contacts can continue to attend;

- school;
- care service centres;
- Outside School Hours Care (OSHC);
- school-based sporting, music, cultural training, practice or events that are organised by or take place at our school, and are held immediately before or after school; and
- travel directly between their usual place of residence and their school. Public transport should only be used if there are no other options available.

Thank you for following the correct procedures, we appreciate your continued support.

God Bless

Kathleen Tranquille and Gabrielle Brennan

Acting Principals
